STATE HIGH SCHOOL
VPV REWARDS PROGRAM

**A culture that
promotes learning**

VICTORIA POINT STATE HIGH SCHOOL

VPV Rewards Program

At Victoria Point State High School, we believe that it is important to acknowledge, recognise and reward all of our students who demonstrate our school values: Respect, Integrity, Responsibility.

These values instil habits and skills which help them become successful and fulfil their potential at school, in the community and most importantly in their chosen post-schooling pathway.

Our rewards program allows for students to receive points, rewards and acknowledgement, as well as a range of experiences as a result of their commitment to these school values.
